19:28:12 From Eileen and Carlos : does the proposal address commercial and residential properties?

19:31:10 From Quinton Zondervan : Arlington's program is around vacant storefronts but I don't think they have a vacancy tax for residential properties

19:31:19 From Jacob deBlecourt : <https://www.boston.gov/departments/neighborhood-development/office-housing-stability/rental-relief-fund>

19:31:43 From Jake : @Eileen and Carlos Ours does - it was inspired because we could not find affordable storefronts to use for our organizing work

20:18:51 From Carrie Mays : Yess Queen! Amazing Question. Save our small business, black owned smoothie shops, vegan restaurants and so on!

20:20:15 From Cynthia she/they : are yall able to name drop senators/ reps of who are against it?

20:20:32 From Carrie Mays : For real. ^^

20:20:48 From Carrie Mays : Is there a way we can make that information accessible.?

20:22:20 From Natalie Held : Love this shirt!

20:22:43 From Cisnell Baez : Same here! Share the link :) lol

20:22:48 From Brady Baca : Progressive Mass and Act on Mass are organizations focusing on increasing transparency in votes on Beacon Hill. I believe they published votes around lifting the local ban on twitter? (I have to double check). But those are the top two resources for that @cynthia and carrie

20:23:10 From Carrie Mays : Periodt Yahaira!

20:23:16 From Cynthia she/they : thank you!

20:23:24 From Brady Baca : <https://www.progressivemass.com/>

20:23:26 From Carrie Mays : Thank you Brady!

20:23:51 From Hannah Carroll : I believe you need to make \$44.44/hour to rent an average 2 bedroom in the area. Crazy.

20:24:02 From Cisnell Baez : \$1500 or more in bills + student debt

20:26:27 From Michelle Wu (she/her) : Thank you so much for creating this space & this very important conversation! I have to go out the kiddos to bed, but look forward to more to come.

20:26:42 From Yahaira Lopez : Thank you!

20:28:04 From Pat Jehlen : Thanks for this forum. Good conversation, and I got good ideas and met wonderful people. Unfortunately I have to leave at 8:30. Good luck!

20:30:13 From Jeremy S : organize, form tenant unions, reach out to orgs here in the city for advice and consultation on how to get a tenant union up and running. do not rely on the City elects to fix this, all do respect Julia and Michelle, you all are cool.

20:34:41 From Jessicah Pierre : thank you Councilor Amelia for hosting this conversation!

20:34:49 From Jessicah Pierre : Mejia****

20:38:26 From Carrie Mays : Facts. Everything Derrel just said. Accountability Track Records.

20:38:49 From Alexis Smith : our governor has unrealistic and neglectful plans for the people that he knows the people lack tools and skills that would equal eviction if they don't obtain them to sustain stability versus a eviction notice

20:39:30 From Andrea's iPhone : yes! we need realistic timelines and track records! this is real life

20:39:39 From Yahaira Lopez : \$8.00 an hour can't pay "affordable rent" nor place at the Seaport.

20:40:54 From Brady Baca : Tbh \$15 an hour can't do that either in Boston

20:41:22 From Andrea's iPhone : is that for

20:41:25 From Brady Baca : Sa-id and Councilor Bok both have hands raised.

20:41:38 From Andrea's iPhone : just Cambridge or Boston too?

20:42:23 From Alexis Smith : lack of educational growth equals never making more then 8. dollars an hour. tops, education and tutors can equal better pay and opportunities

20:43:24 From Yahaira Lopez : I agree Brady! By the time the \$15.00 hr new minimum wage, rents will be up another 2,000; which will set us back up another decade.

20:43:48 From Andrea's iPhone : we need to implicate that in Boston Cambridge got the right idea

20:44:13 From Andrea's iPhone : yes yes!!

20:44:42 From Andrea's iPhone : good point!!

20:44:50 From Jacob deBlecourt : Sa-id has a question

20:57:41 From Alexis Smith : Jvs is one place that offers high school diploma class, trainings, they have a career development center and a great team of people that will help. jvs stands for Jewish vocational services career services

20:58:55 From Gabrielle R. : you can have all the financial literacy knowledge and still get taken advantage by the system. systemic racism and wage theft, equity theft have kept us out
